

## GUIDELINES TO AUTHORS

**Indian Journal of Heterocyclic Chemistry** - a *Quarterly International Journal*; publishes original research work on heterocyclic chemistry pertaining to structure and synthesis, mechanism of reactions, spectral studies, biologically active compounds, biochemical studies, physicochemical work, phytochemistry etc. **Journal Citation Index** is **0.685** (originating in Journal Citation Reports, 2016 release - A Thomson Reuters Product). **NAAS-India** has accredited a **rating of 6.79**.

Only electronic submissions using Microsoft Word should be submitted as email attachments, with figures in power point as separate files. All papers should be in English. Papers should be typed in TIMES NEW ROMAN FONT, double-spaced with 1-inch wide margins on all sides with full title, single column, abstract, graphical abstract, abbreviated title for running headlines (up to 35 characters), keywords, references and figures.

The title page should include, in addition to the title, the surnames and initials of each author followed by his or her department, institution and address including postal code and country and email address. The title page should also indicate the number of manuscript pages, figures and tables, drawings, etc. However, files for graphical abstract, figures, tables, photographs, etc should be attached separately. Chemical drawings must be drawn in ChemDraw; and CDX files should be sent separately. All references should be checked very carefully from original source or Chemical Abstracts as the case may be. All references should be numbered and collected at the end of manuscript. Abbreviations of journals should be in accordance with Chemical Abstracts. Only few important recent references should be provided.

The papers are required to be PLAGARISM checked as per International requirements. All papers submitted for publication are reviewed by experts and comments of the reviewers are then communicated to the authors. Minor revisions may be handled by the Editorial Office. It is a good idea to get your paper refereed by one of your colleagues before submitting to the Journal.

The following Style / Format should be followed while preparing the manuscript:

- Title : All Cap and Bold

    - [2] Yan, W.; Wang, Q.; Lin, Q.; Li, M.; Petersen, J. L.; Shi, X. N-2-aryl-1,2,3-triazoles: A novel class of UV/blue-light-emitting fluorophores with tunable optical properties, *Chem. Eur. J.*, **2011**, **17**, 5011-5018.
- Schemes, Tables and number of compounds (1,2,3-- ) (wherever mentioned in the paper) should be in bold letters.

**Figures:** All figures should be numbered with consecutive Arabic numbers, have descriptive legends, and be mentioned in the text. Keep figures separate from the text, but indicate an approximate position for each figure in the margin. The quality of line drawings and photographs must be of high enough standard for direct reproduction. Photographs intended for halftone reproductions must be good glossy original prints of maximum contrast. A list of figure legends with relevant figure numbers be typed on a separate sheet and included with the typescript.

**Tables:** Tables should be consecutively numbered with Arabic numbers and have a clear descriptive title at the top. Explanatory table footnotes (designated by superscript lower case letters) typed below the table are acceptable.

**Abbreviations:** Use of abbreviations should be as per the Systeme Internationale symbols.

**Copyright:** Submission of a paper will be taken to imply that it represents original work not previously published; which is not being considered elsewhere for publication; and that if accepted for publication, it will not be published elsewhere in the same form in any language, without the consent of the publisher. It is a condition of acceptance by the editor-in-chief of a typescript for publication that the publishers automatically acquire the copyright of the manuscript.

**Submission of Manuscript:** The corresponding author is supposed to submit the paper. All manuscripts must be submitted online through [www.PublishAtCJ.com](http://www.PublishAtCJ.com) after registering as an author. Instructions should be carefully followed in this Online Editorial Management System of CONNECT JOURNALS.

A carefully prepared manuscript in accordance with the style of the Journal is likely to be accepted speedily. Before submitting an article for publication, authors should consult recent issues of the Journal for style and format of presentation.
