

INDIAN JOURNAL OF HETEROCYCLIC CHEMISTRY

A Quarterly International Refereed Journal

Indian Journal of Heterocyclic Chemistry is exclusively devoted to research in the area of heterocyclic chemistry. The journal publishes invited review articles and original research papers pertaining to structure and synthesis, mechanism of reactions, spectral studies, biologically active compounds, biochemical studies, phsicochemical work, phytochemistry etc. Manuscripts for publication should be submitted online at www.PublishAtCJ.com, as per guidelines provided there and also printed at the back of the journal. Authors are solely responsible for the contents of the papers and the accuracy of the data therein.

Late Prof. R. S. Varma
Department of Chemistry
Lucknow University, Lucknow. INDIA

Editor-in-Chief

Prof. Om Prakash
Emeritus Fellow, UGC
Department of Chemistry
Kurukshetra University
Kurukshetra-136 119. INDIA
dromprakash50@rediffmail.com

The journal is aimed to cater the needs of scientists working in the area of heterocyclic chemistry who want to get their quality work published rapidly. The journal is first ever such publication of its kind in India. There are two other such publications one from U.S.A. and another from Japan. Eminent Heterocyclic chemists from India and abroad are on the editorial board of the journal.

Advisory Editorial Board
