

Biopesticides International

Biopesticides International that was established in 2005 will publish full-length research papers that should normally occupy six to ten printed pages (approximately 4000-7000 words). Reviews will be published regularly and by invitation only but welcome suggestions for timely topics and potential authors for reviews are acceptable. Authors should submit a summary for consideration to the editor-in-chief before starting work on the manuscript. Each review should normally be no longer than 10 to 15 printed pages.

The journal is supported by eminent Regional Editors, Editorial Board Members and Expert Reviewers globally. The support of all Reviewers is duly acknowledged in the last issue of each volume.

ALL PUBLICATION RIGHTS HAVE NOW BEEN TAKEN OVER BY [CONNECT JOURNALS](#). THE JOURNAL WILL BE PUBLISHED IN PRINT AS WELL AS ONLINE VERSIONS.

SUBMISSION OF MANUSCRIPTS

Manuscripts should be submitted online at www.PublishAtCJ.com where further information on the process of submission and registration is available. All Correspondence and Status relating to the submission will be available online on this system. In case of any problem relating to submission, you may write at info@PublishAtCJ.com. All the review process will be handled at the online platform; however, the final acceptance of the article will be at the sole discretion of the Chief Editor.

Plagiarism: The papers are required to be plagiarism checked as per International requirements.

Papers should be typed double-spaced with 1-inch wide margins on all sides with full title, abstract, abbreviated title for running headlines (up to 35 characters), 4 to 6 keywords, references and figures. Except for reviews, each paper should be presented in the order of Abstract, Keywords, Introduction, Materials and Methods, Results, Discussion, Acknowledgements, References, Tables and Figure captions. References in the text should follow the Harvard style. Exact style can be seen as a sample paper available at www.PublishAtCJ.com and also at www.connectjournals.com/bi.

The title page should include, in addition to the title, the initials and surnames of each author followed by his or her department, institution and address including postal code and country and email address. Please indicate the author for correspondence, whose telephone, fax and E-mail numbers should be included. The present address of authors should appear as a footnote if different. The title page should also indicate the number of manuscript pages, figures and tables.

Keywords: Four to six keywords should be listed in alphabetical order at the bottom of the title page.

Abstract: This should be no more than 200 words in length, should summarize the significant findings and inferences only.

Text Headings: Text headings should be typed as **FIRST-LEVEL HEADING**, **Second-Level Heading**, **Third-level heading**.

References: References should follow the pattern given below

Journal articles:

Champagne, D.E., Koul, O., Isman, M.B., Towers G.H.N. and Scudder, G.G.E. (1992) Biological activity of Limonoids from Therutales. *Photochemistry*, **31**,377–394.

Chapter in Book:

Simmonds, M.S.J. and Blaney, W.M. (1992) Labiatae-insect interactions: Effect of Labiatae-derived compounds on insect behaviour. In R.M. Harley and T. Reynolds (eds.), *Advances in Labiatae Science*, Royal Botanic Gardens, Kew, pp. 375–392.

Book:

Koul, O. (2016) *Naturally Occurring Insecticidal Toxins*, CAB International, Wallingford, UK.

Figures: All figures should be numbered with consecutive Arabic numbers, have descriptive legends, and be mentioned in the text. Keep figures separate from the text, but indicate an approximate position for each figure in the margin. The quality of line drawings and photographs must be of high enough standard for direct reproduction. Photographs intended for halftone reproductions must be good glossy original prints of maximum contrast. A list of figure legends with relevant figure numbers be typed on a separate sheet and included with the typescript. Colored figures will be charged as per the journal policy from the authors and information regarding this can be obtained from info@PublishAtCJ.com.

Tables: Tables should be consecutively numbered with Arabic numbers and have a clear descriptive title at the top. Explanatory table footnotes (designated by superscript lower case letters) typed below the table are acceptable.

Abbreviations and Conventions: Use of abbreviations should be as per the Systeme Internationale Symbols.

PROOFS: The page proofs to authors will be provided through online platform at <http://publishatcj.com>.

COPYRIGHT: Submission of a paper will be taken to imply that it represents original work not previously published that is not being considered elsewhere for publication and that if accepted for publication, it will not be published elsewhere in the same form, in any language, without the consent of the publisher. It is a condition of acceptance by the editor-in-chief of a typescript for publication that the publishers automatically acquire the copyright of the manuscript. The statements, inaccurate data, opinions and views expressed by the authors in articles are of their own and not of the journal. The editors or publishers of the journal will not be responsible for the authenticity of data and results drawn by authors.

REPRINTS: The corresponding author will receive an electronic reprint of their paper for non-commercial use. Printed reprints may be purchased.

PAGE AND SUBSCRIPTION CHARGES: There are no page charges to individuals or institution for publishing their papers. However, if your paper is accepted for publication, author or the institution should be the subscriber of the journal issue. To promote the journal, authors must recommend the journal in their institutional library; for greater access and benefit to other researchers, and also to increase citation of the article in the journal.

Subscription details are available at www.connectjournals.com/bi.
