Guidelines to the Authors for submission of Manuscript

Manuscript: Manuscripts should be submitted online at www.PublishAtCJ.com where further information on the process of submission and registration is available. All Correspondence and Status relating to the submission will be available online on this system. In case of any problem relating to submission, you may write at info@PublishAtCJ.com. All the review process will be handled at the online platform; however, the final acceptance of the article will be at the sole discretion of the Chief Editor.

Papers should be typed double-spaced with 1-inch wide margins on all sides with full title, abstract, keywords, references and figures. Except for reviews, each paper should be presented in the order of Abstract, Graphical Abstract, Keywords, Manuscript Part, References, Schemes, Tables and Figure captions. References in the text should follow the APA pattern of article writing.

The title page should include, in addition to the title, the initials and surnames of each author followed by his or her department, institution and address including postal code and country and email address. Please indicate the author for correspondence, whose telephone, fax and E-mail numbers should be included. The present address of authors should appear as a footnote if different. The title page should also indicate the number of manuscript pages, figures and tables.

Plagiarism: The papers are required to be plagiarism checked as per International requirements.

Title of Paper: Title of the paper should be in upper-lower style with keyword's first character a capital. Font style and size should be Bold-14 point. E.g. : **Polymer-Supported Synthesis of 7-Hydroxy-10-substituted Isoalloxazines**

Abstract: This should be no more than 200 words in length, should summarize the significant findings and not containing any references.

Graphical Abstract: Clearly drawn figure should be included in the main manuscript file below abstracts.

Keywords: Four to six keywords should be listed in alphabetical order at the bottom of the title page.

Text headings: Text headings should be typed as **FIRST-LEVEL HEADING, Second-Level Heading, Third-level heading**.

Manuscript Part: Your paper should be written under the following headings:

- **INTRODUCTION**
- **RESULTS AND DISCUSSION**
- **EXPERIMENTAL SECTION**
- **CONCLUSION** - *not necessary*
- **LIST OF ABBREVIATIONS** – *if any*
- **ACKNOWLEDGEMENTS**

References: Last name, First Initial. Title. *Journal*, **Year**, Volume, Page(s). [9 point size in Times New Roman]

Others: Your **Schemes, Tables** and number of compounds (**1,2,3--**) (wherever mentioned in the paper) should be in **bold** letters.

Figures: All figures should be numbered with consecutive Arabic numbers, have descriptive legends, and be mentioned in the text. The figures should be kept separate from the text, but indicating an approximate position for each figure in the margin. The quality of line drawings and photographs must be of high enough standard for direct reproduction. Photographs intended for halftone reproductions must be good glossy original prints of maximum contrast. A list of figure legends with relevant figure numbers be typed on a separate sheet and included with the typescript. The structures in the text and synthetic schemes should be drawn with Chem Draw in ACS style.

Tables: Tables should be consecutively numbered with Arabic numbers and have a clear descriptive title at the top. Explanatory table footnotes (designated by superscript lower case letters) typed below the table are acceptable.

Abbreviations and Conventions: Use of abbreviations should be as per the Systeme Internationale Symbols.
