

THE SCIENTIFIC TEMPER

A multidisciplinary biannual international journal

(Included in the Web of Science Master General list which is considered in Group II by UGC.)

INSTRUCTIONS TO CONTRIBUTORS

THE SCIENTIFIC TEMPER – a biannual publication, is devoted to publish peer reviewed **original** and **review** articles in all the major disciplines of Biology and Modern Biology, such as: Bioinformatics, Biotechnology, Botany, Environmental Biology, Genetics, Molecular Biology, Sericulture and Zoology, etc on the basic as well as applied aspects. However, Interdisciplinary articles (from Social **Sciences**) may also be considered for publication. In such a case, the methodology of work, approach of the concept, developing and dealing the hypothesis and the discussion of the thought must have *A SCIENTIFIC TEMPER IN SPIRIT, THOUGHT AND EXPRESSION*.

Submission of manuscript implies: that, the work described has not been published before; that, it is not under consideration for publication elsewhere, and publications has been approved by all co-authors, if any, as well as by the responsible authorities at the Institute where the work has been carried out.

Subject Classification / Categories

1. Agriculture, Horticulture, Forestry
 2. Biological Sciences
 3. Ecology and Environment
 4. Zoology, Entomology, Fisheries and Sericulture
 5. Modern Biology
 - a. Cell and Molecular Biology
 - b. Genomics
 - c. Proteomics
 - d. Biochemistry and Biotechnology
 6. Genetics, Evolution, Taxonomy and Behaviour
 7. Cognitive neuroscience and Psychology, Physical Anthropology, Library Science, Economics and Sustainable Development and Social Issues on Science and Society
 8. Physical Geography, Physics, Organic and Analytical Chemistry
- We do not publish Pharmacy, Internal medicine and Yoga and Siddha.*

THIS JOURNAL IS NOW BEING PUBLISHED BY CONNECT JOURNALS IN PRINT AS WELL AS ONLINE VERSIONS.

SUBMISSION OF MANUSCRIPTS

Manuscripts should be submitted online at www.PublishAtCJ.com where further information on the process of submission and registration is available. All Correspondence and Status relating to the submission will be available online on this system. In case of any problem relating to submission, you may write at info@PublishAtCJ.com. All the review process will be handled at the online platform; however, the final acceptance of the article will be at the sole discretion of the Editor-in-Chief.

Plagiarism: The journal is strictly against any unethical act of copying or plagiarism in any form. The papers are required to be plagiarism checked as per International requirements.

Papers should be typed double-spaced with 1-inch wide margins on all sides with full title, abstract, abbreviated title for running headlines (up to 35 characters), 4 to 6 keywords, references and figures. Except for reviews, each paper should be presented in the order of Abstract, Keywords, Introduction, Materials and Methods, Results, Discussion, Acknowledgements and Conflict of Interest, References, Tables and Figure captions.

The title page should include, in addition to the title, the initials and surnames of each author followed by his or her department, institution and address including postal code and country and email address. Please indicate the author for correspondence, whose telephone and E-mail numbers should be included. The present address of authors should appear as a footnote if different. The title page should also indicate the number of manuscript pages, figures and tables.

Keywords: Four to six keywords should be listed in alphabetical order at the bottom of the title page.

Abstract: This should be no more than 150 words in length, should summarize the significant findings and inferences only.

Text Headings: Text headings should be typed as **FIRST-LEVEL HEADING**, **Second-Level Heading**, **Third-level heading**.

References: References should follow the pattern given below

Book:

Rabe, M. (1982) *Insect Neurohormones*. Plenum Press, New York.

Review articles:

Narain, R., Prasad, B.C., Beck, S., Tirkey, J. and Kumar, D. (2003). Decline in tasar silk production: Analysis and suggestions. *Asian Textile Journal*. **12(2)**: 53-58.

Papers:

Singh, Y. N. and Narain, R. (1980). Neurosecretory system and storage of Paraldehyde Fuchsin positive neurosecretory material in the dorsal aorta in the earwig *Anisolabisannulipes* Lucas (Dermaptera: Labiduridae). *Experientia*. **36**: 834-835.

Narain, R., Awasthi, V.K., Negi, B.K., Khanna, R.P. and Tripathi, P.N. (1994). *Mimastracyanura* Hope: A new pest of mulberry. *Indian Silk*. **33(3)**: 25-27.

Thesis:

Tripathi, B. N. (2002) Responses of algae to elevated levels of Zn and Cu and batch and semi- continuous cultures. *Ph D thesis*, Department of Botany, Banaras Hindu University, Varanasi, India.

Figures: All figures should be numbered with consecutive Arabic numbers, have descriptive legends, and be mentioned in the text. Keep figures separate from the text, but indicate an approximate position for each figure in the margin. The quality of line drawings and photographs must be of high enough standard for direct reproduction. Photographs intended for halftone reproductions must be good glossy original prints of maximum contrast. A list of figure legends with relevant figure numbers be typed on a separate sheet and included with the typescript. Colored figures will be charged as per the journal policy from the authors and information regarding this can be obtained from info@PublishAtCJ.com.

Illustrations and graphs: The illustrations and graphs should be made in black ink.

Tables: Tables should be consecutively numbered with Arabic numbers and have a clear descriptive title at the top. Explanatory table footnotes (designated by superscript lower-case letters) typed below the table are acceptable.

Abbreviations and Conventions: The names of the journals must be abbreviated according to the 'World List of Scientific Periodicals'. References need be strictly in the format and style of the Journal.

COPYRIGHT: Submission of a paper will be taken to imply that it represents original work not previously published; that is not being considered elsewhere for publication; and that if accepted for publication, it will not be published elsewhere in the same form, in any language, without the consent of the publisher. It is a condition of acceptance by the editor-in-chief of a typescript for publication that the publishers automatically acquire the copyright of the manuscript. The statements, inaccurate data, opinions and views expressed by the authors in articles are of their own and not of the journal. The editors or publishers of the journal will not be responsible for the authenticity of data and results drawn by authors.

PROOFS: The page proofs to authors will be provided through online platform at <http://publishatcj.com>.

REPRINTS: The corresponding author will receive an electronic reprint of their paper for non-commercial use. No Gratis printed reprints are available.

PAPER PROCESSING AND PRINTING CHARGES: The authors are expected to be a subscriber of the journal. After acceptance of the paper, the authors are required to pay for a minimum 10 reprints. Hard-copy of the issue, if required, may be specified & paid at the same time.

SUBSCRIPTION: To promote the journal, authors must recommend the journal in their institutional library; for greater access and benefit to other researchers, and also to increase citation of the article in the journal. Subscription details are available at www.connectjournals.com/tst.
